November 21, 2013 5:30 pm to 7:30 pm

William Factory Small Business Incubator
Second Floor Atrium
1423 E. 29th St., Tacoma, WA

Get Your Company Noticed!!

Washington State needs qualified small businesses! Please join Native PTAC, Skanska and the WA State Office of Minority & Women's Business Enterprises for this workshop intensive.

The purpose of this class is to help MWBE contractors through the process of getting certified by the Washington State Office of Minority and Women Business Enterprises. This is a 2-hour intensive class, intended to help businesses complete their State certification application.

Dinner will be provided. Class size is limited to the first 20 registrants.
Register today at www.NativePTAC.org!!

Visit the event page at www.NativePTAC.org to register, review, and download the document checklist.
Attendees will need to collect and bring documents in order to fill out their paper work.

Visit www.omwbe.wa.gov to download the official application.

Have these documents gathered and completed before attending the workshop in order to fill out any remaining certification paperwork during the class.
