## Request for Qualifications for Non-Project Technical Support Services

Submittal Date: 4:00pm, March 9, 2012

---

**PROJECT:** The Puget Sound Regional Council (PSRC) is requesting qualifications from firms to provide non-project specific on-call technical support services across a range of technical disciplines. It is anticipated that more than one firm will be selected to be placed on an approved on-call list where task orders will be initiated by PSRC staff on an as-needed basis and where this selection process does not obligate PSRC to enter into a contract with any of the responding firms.

**BUDGET:** Not to exceed \$50,000 and will be determined on a per-task basis.

**DUE:** All submittals must be received by 4:00pm, March 9, 2012.

**FOR MORE INFO:** The complete Request for Qualifications is available on PSRC's website at [www.psrc.org/about/rfp](http://www.psrc.org/about/rfp) or by contacting Andrew Werfelmann at 206-971-3292 or [awerfelmann@psrc.org](mailto:awerfelmann@psrc.org).

*Proposals will be subject to PSRC's review and selection process. PSRC promotes equal employment opportunity in the evaluation of proposals and award of consultant contracts, and complies with applicable federal, state, and local laws, regulations, and procedures.*
