

C&D Zodiac, Inc. is a fast-paced, widely diverse and pro-active aerospace manufacturer located in Marysville, WA. Our Company thrives on the initiative, sound judgment and integrity of the employees. C&D Zodiac provides structural and interior composite components to aerospace customers worldwide and is adding staff to meet the current market demands. Our values of quality, flexibility, and on time delivery have made us a world class organization that is prepared to meet the high standards set by the aerospace industry.

We are currently recruiting for a **Press Brake Operator for 2nd shift.**

Required Skills:

- Ability to prepare and run complex bend setups and forming operations. This includes custom punch/die modification used in combination with other tooling (either standard or custom). Complex programming using all features of the press brake. E.g. bending at angles, step bends, proper back gauge transfer between steps, delays, etc.
- Good mechanical skills / Computer Skills
- Good communication skills
- Basic Math Skills
- Repetitively lift up to 30 lbs.
- Stand & work for entire shift
- Work in an efficient and timely manner
- Ability to read blue prints / Prior CATIA V5 experience a plus
- Experience using CNC Press Brake controllers including setups
- Able to work with minimum supervision
- ITAR governed position: Must be a US Citizen or Permanent Resident to qualify

Desired Skills:

- Experience on DIACRO and Cincinnati press brakes
- Experience on Strippit/LVD CNC punch press machines is a plus
- Ability to work independently
- Identify areas for process improvement, cost and waste reduction.
