Friday, March 22

Register at link: <https://bit.ly/49oZYJo> or with the QR code.

Flatiron seeks **accredited Veteran, MBE, WBE, DBE and SBE subcontractors and suppliers** in the Greater Seattle area to join the Flatiron team for this upcoming project. Learn more about Flatiron, this King County wastewater treatment facility project and specific scopes of available work at this webinar. Flatiron is committed to promoting a level-playing field by ensuring open, fair and equitable processes in our hiring practices and procurement of services.

BROUGHT TO YOU BY

FLATIRON

Flatiron intends to conduct itself in good faith with DBE firms regarding participation on this project. The scope of work can be broken down into economically feasible packages to facilitate DBE participation. Assistance in obtaining bonding, insurance and lines of credit is available upon request. DBE firms are referred to the Small Business Administration, U.S.DOT, Office of Small and Disadvantaged Business Utilization and/or the Federal Department of Transportation Bond Assistance Programs. In addition to the request for participation from DBEs, we request non-DBE subcontractors provide lower-tier DBE participation. Quotations must be valid for the same duration as specified by the Owner for contract awards. Subcontractors are required to possess and maintain a current contractor's license and be registered with the Department of Industrial Relations as required by Public Contract Code Section 1725.5. Subcontractors are required to execute Flatiron's Standard Subcontract Terms and Conditions, including the insurance requirements.
