

# Wells Fargo Equipment Finance, Inc.

## Equipment Financing Customized To Meet Your Business Needs — Today & Tomorrow

We finance virtually every type of equipment your company needs — from business aircraft to trucks and trailers, from bulldozers to machine tools, from computer hardware and software to office equipment...and more!

### Experience Pays

From loans to leases, our sales professionals have extensive experience in equipment finance with an in-depth knowledge of everything from valuation and pricing, to structuring and credit underwriting.

They have the knowledge to assess almost any situation — and the ability to customize a financing structure that meets your exact needs.

### A Full Line of Products & Services

We offer a full range of leasing and financing products, including:

- TRAC Leases
- Lease Purchases
- Municipal Leases
- Finance Leases
- Early Buyout Leases
- CAP Leases
- Leveraged Leases
- Secured Loans

### A Full Line of Solutions

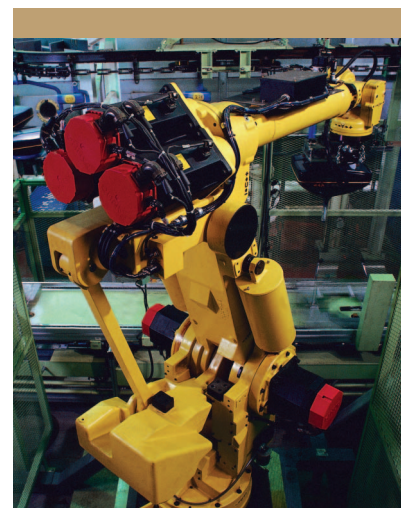

Many of our customers require transaction types, structures and terms tailored to match their cash flow, tax or accounting objectives and other business needs.

- 100% Financing
- Customized Payment Structures
- On or Off Balance Sheet Financing

### We're Ready When You Are

We pride ourselves on developing, building, and maintaining long-term relationships. For the more than 22,000 customers we serve across all 50 states and in Canada, we're a trusted source for equipment financing, whenever and where ever they need it.
