

Wells Fargo Does Payroll

No matter what your needs, Wells Fargo has a payroll solution for your business. Here are some of the benefits:

Tax services. Get your federal and state taxes calculated and paid, payroll tax returns prepared and filed, and W-2s issued to your employees.

Payroll Tax Guarantee. As long as the information that you provide to us is accurate and on time and your account is sufficiently funded, your payroll tax deposits and filings will be accurate and on time or we'll pay any resulting fees and penalties assessed by the applicable taxing agency.
