

## **Snohomish County -- In-Home Personal Care Providers**

**Closing Date:** January 22, 2014

**Description:** Snohomish County Human Services Department is requesting applications from qualified providers to contract with for the provision of quality in-home personal care services to eligible State funded clients throughout Snohomish County beginning July 1, 2014.

Snohomish County Human Services has developed a Request for Qualifications (RFQ) packet containing minimum qualifications, standards, WA Home Care Agency Statement of Work, contract terms/conditions, response instructions and scoring methodology. Meeting the minimum qualifications and submission of a complete RFQ application for consideration and review does not infer that a Vendor Agreement (contract) shall be awarded by Snohomish County.

Beginning December 12, 2013 RFQ packets will be available:

1. on-line at the following Snohomish County Website:
