

You are invited

JOC IN July!

We invite you to join us for an evening of valuable training, information and networking!

Learn the fundamentals of Job Order Contracting (JOC) including:

- The benefits for the owner, prime contractor and subcontractor
- How to register to become a JOC subcontractor
- How is the JOC administered
- Bidding procedures on JOC projects
- Construction safety requirements and resources

Plus:

- **OMWBE** will provide Minority/Woman/Disadvantaged & Small Business certification information
- Information on Bonding assistance will be available

Refreshments will be served
