PROFESSIONAL ENGINEERING, ARCHITECTS, AND PERSONAL SERVICES
ROSTER FOR WATER UTILITY PROJECTS

Clark Public Utilities is soliciting firms for inclusion in the Utility's Professional Engineering, Architects, and Personal Services Roster. This roster will be used to evaluate and award various design projects and other services included in the 2014 Clark Public Utilities Water Department Capital Program.

Typical projects and services may include: civil engineering; watermain design engineering; pumping equipment and pressure pipe design; environmental services and sensitive area analysis; hydrological and water resource services; water supply and quality services; SEPA/NEPA writing services; grant, loan and other technical writing services; water rate studies and financial analysis services; geotechnical engineering; land surveying and construction staking services; archaeological services, structural design services; architectural, building mechanical and electrical design; reservoir structural design services; construction inspection services; geotechnical testing and construction inspection services; erosion control inspection services; construction material testing and inspection services; reservoir construction inspection and coating inspection services; and hazardous material testing and remediation services.

To qualify for the Utility's Professional Engineering, Architects, and Personal Services Roster, firms must register on the Utility's website at <https://www.ebidexchange.com/clarkpud>. Once at this site, follow the New Vendor Registration instructions, select the types of service(s) your firm is interested in providing, and upload your SF330 form. Firms that have previously registered are encouraged to update their SF330 at this time. Firms that desire to be considered for all projects within the 2014 Capital Program are encouraged to complete their registration and uploading of their SF330 by February 11, 2014.

Clark Public Utilities encourages disadvantaged, minority, women-owned, and veteran owned consulting firms to respond. Persons with disabilities may request that this information be prepared and supplied in alternate forms by calling collect 360-992-8041.

Clark Public Utilities, in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 U.S.C. 2000d to 2000d-4 and Title 49, code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in federally-assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all consulting firms that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises as defined at 49 CFR Part 26 will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, national origin, or sex in consideration for an award

Cathy Wannamaker, C.P.M.
