Early Bird Prices End 1/31!

March 5, 2015 in Puyallup, WA

If you are starting or expanding your government contracting outreach and efforts, mark March 5th on your calendar as the best place to get that done!

Alliance Northwest is the largest business-to-government conference in the Pacific Northwest. This event features keynote speakers, high

quality workshops, and matchmaking sessions with government agencies and prime contractors. Here's what past attendees have said about Alliance NW:

"Where else can you meet multiple agencies, primes and other small businesses, network with all of them, and learn? On top of that, breakfast and lunch were delicious! Looking forward to next year's event!" - Deborah Todd, iCompass Compliance Solutions, LLC (Woodland, WA)

"Our business struggles to keep up with the growing field of gov buyers and contractors, the Alliance NW conference is the best venue there is to get back in contact and learn about the current state of affairs in gov contracting." - Herman Hardtke, Fence Specialists (Tacoma, WA)

"A great way to interact with key individuals representing key Primes, Governmental Agencies, and Military bases." - Terry Billedeaux, Cascade Coil Defense Systems (Tualatin, OR)
