

## PCL/HDR ENGINEERING NETWORKING EVENT

Local leaders in the design and construction of infrastructure improvement projects, PCL and HDR Engineering cordially invite small and disadvantaged businesses to join our networking event. We want to talk to you about teaming opportunities for projects that we are actively pursuing. During this event, we will also provide an overview of our subconsultant and subcontracting selection process.

**WHEN** Wednesday, December 4<sup>th</sup>  
4:30 pm – 7:30 pm

**WHERE** Bellevue Red Lion Hotel  
11211 Main Street  
Bellevue, WA 98004

PCL and HDR Engineering are committed to helping small and disadvantaged businesses develop significant and meaningful ways to improve and benefit our industry. We have a demonstrated track record of encouraging and supporting the participation of small and disadvantaged subconsultant and subcontractors during both the design and construction phases on projects we work on.

Come and learn more about opportunities to join our team!
