Kennewick, WA 99336

ADVERTISEMENT FOR BIDS

Notice is hereby given that sealed bids will be received by the Kennewick Irrigation District (District) at the District's office (12 West Kennewick Avenue, Kennewick, WA 98336) or via mail until 2:00 pm on December 20, 2013, for construction of the Red Mountain South LID, 810 Reservoir and Pump Station. Bids will then be opened, read and tabulated publicly. Proposals received after the time fixed for opening will not be considered.

The Red Mountain South LID, 810 Reservoir and Pump Station consists of the construction of a 400,000 gallon partially-buried reinforced concrete reservoir and 830 square-foot concrete masonry unit booster pump station for the storage and distribution of municipal irrigation water. Work includes, but is not limited to, site development, landscaping, structural concrete, masonry, structural framing, trusses and sheathing, mechanical, electrical and control, and HVAC. The Engineer's probable construction cost estimate for this project is from \$1,975,000 to \$2,500,000.

A non-mandatory pre-bid conference will be held at the District's office on December 9, 2013, at 10:00 am.

Complete digital contract documents are available at <http://www.rh2.com> under the ***Bidding*** tab or at <http://www.kid.org> under the ***Current Bid Requests*** quick link. The complete digital contract documents may be downloaded for a \$10.00 non-refundable fee by inputting the QuestCDN project #2975578 on the website. Please contact QuestCDN.com at 952-233-1632 or info@questcdn.com for assistance in free membership registration, downloading, and working with this digital project information. An optional paper set of contract documents is also available from RH2 Engineering, Inc., for a nonrefundable price of \$190 per set which includes applicable sales tax and shipping. Please make your check to payable to RH2 Engineering, Inc. and send it to 114 Columbia Point Drive, Suite C, Richland, WA 99352. Please contact RH2 Engineering at 509-886-6788 if you have any questions. An informational copy of the contract documents is on file for inspection at the Kennewick Irrigation District office.

Questions regarding this project should be referred to Paul Cross, P.E., RH2 Engineering, Inc., (800) 720-8052, ext. 5452. Addenda, if necessary, will be posted no later than December 18, 2013. Questions received after 3:00 pm on December 17, 2013, will go unanswered.

The District reserves the right to reject any or all bids and to waive irregularities in the bid or in the bidding. The District hereby notifies all bidders that it encourages and will affirmatively ensure that in any contract entered into, pursuant to this advertisement, certified minority and women's business enterprises will be afforded full opportunity to submit bids in response to the invitation and will not be discriminated against on the grounds of race, color, national origin, or sex in consideration for an award. Certification information for MWBE businesses is available at www.omwbe.wa.gov.

No bidder may withdraw his proposal after the hours set for the opening thereof, or before award of contract, unless said award is delayed for a period exceeding thirty (30) calendar days.

All Department of Ecology (Ecology) projects require special project reporting every 30 days by the contractor as well as other requirements. Bidders are cautioned to read the specifications carefully to understand general requirements. ***Prevailing wages do not apply to this project.***

Chuck Freeman, District Manager
Kennewick Irrigation District
